OH ARGH---Linda---can you change that one pager back to 01-07? Is it due to the fact that the 01-02 numbers are so small? If so, we should footnote the zip code file with that fact.

There are some cases in those zips (01 and 02). They are included in the Flint total.

Hi there! Thank you all for your help! On the suppressed zip code file-can the far right column in the right (zip 01-07) be changed to 03-07?

I don't think 01 and 02 have residences...
