Subject: Flint L Letter

Hi Everyone - Working with Dr. Wells and Sue, Medicaid is planning to send an "L" letter to all Medicaid providers in Flint to help ensure as many providers as possible have, and follow, the enhanced guidelines for lead testing in children. Attached is our draft of the "L" letter -- both Dr. Wells and Sue have signed off too. We are planning on sending this ASAP, but want flag it before it went. Please let me know if you have any thoughts, concerns or comments. Thanks!

Chris
