

IHP would like to thank you for participating in today's MCH Workgroup meeting. The discussion provided valuable insight for providing care to children with elevated blood lead levels.

Attached are the meeting materials including Nancy Peeler's presentation; Maps: Lead by Prosperity Region; and the AAP Recommendations on Medical Management of Childhood Lead Exposure and Poisoning.

In addition, you will find the lead resources/documents Kim Hamilton, Director, Managed Care Plan Division mentioned during the meeting:

- * Frequently Asked Questions About Lead in Flint Water
- * Parent Handout - Learn How to Protect Your Family: Create a Lead Safe Home
- * Help Fight Lead Poisoning with a Healthy Diet
- * Pregnant and Nursing Mothers: What You Need to Know About Lead Poisoning
- * Blood Lead Level Quick Reference for Primary Care Providers
- * Provider Letter (The letter was distributed by email to local physicians on October 30th, by the Genesee County Health Department.)

The materials are also available at: www.michigan.gov/flintwater.

Please feel free to share this email and the materials with additional health plan maternal/child health staff including health plan care/case managers, as appropriate.

The next meeting of the Maternal Child Health Workgroup is *March 7, 2016*.

We look forward to seeing you there!

Happy Holidays!

Debbie
