Subject: Flint work plan
Attachments: Flint Action Plan 11-13-15.docx

Updates in bold. Genesee hasn't been reporting total numbers of filters distributed this week so I took that out of the plan for now.

Highlights this week:

Genesee CHD Nurse training
Suggested language for health threshold
Testing event held at Brownell School held
Follow-up with Molina regarding testing
Congressional Call re: Ready to Feed Formula

Please let me know if you have any changes or additions before I send to Nick and all.
