Case Tracking Report from GCHD—so that Toni doesn't have to read off it during today's call,

E

*"Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend. Gratitude makes sense of our past, brings peace for today, and creates a vision for tomorrow." -
Melody Beattie*
