I talked with my supervisor, showed her the new map, explained you have the old one --- she's going to talk with her boss tomorrow. If we can do this, would Monday be soon enough?

Thanks,
 Bob

The map is going to be used in a Presentation that Toni is giving to a community partner, CHAP. So yes it is an audience outside of the health dept.

Sherry,

Can you tell me what the map will be used for? If it will stay internal to GCHD, no problem. But if you're planning to display it to an outside audience, there may be a problem regarding confidentiality. (Even though the map will be similar to last year's, there is more and more attention to what goes out these days.)

Thanks,
 Bob

Sherry,

I'll try to get it done today. Otherwise it'll be Monday, as I'm out tomorrow.

Hello Bob,

This is just a friendly reminder. Will we be able to get the updated map this week?
