Subject: Summary of GCHD Lead Program Activities as of 11 (3)

Hi,

I wanted to give you a summary of the lead screening and case management activities. I will not be on the call this afternoon. Getting things set for Thursday. Overall, things went very well last week with a much smaller turnout than hoped. But not necessarily surprising.

*"Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend. Gratitude makes sense of our past, brings peace for today, and creates a vision for tomorrow." -
