Nancy,
 Please read and share with your team if you feel it is appropriate.

I would consider the source and take with a grain of salt the context and form by which it was sent. If Jennifer has any specific questions, she will send our way.

Thanks,
 Rashmi

All --

Marc Edwards is issuing a report this afternoon based on the documents he received via FOIA. He's already sent copies to members of the media -- we haven't seen the report yet but will need to respond once we do.

Thank you,
Jennifer

I was given the preliminary report. Once they post it publicly online I can send you a link. I think that will happen this afternoon.

Thanks!
