

Could I please have an estimate of when this can be done?

Ok, I deleted all the chatter in between

I believe the request is for annual 2014 and 2015 (not by quarter) for all Michigan zip codes (suppressing results less than 6). The data provided should match what we're reporting to the Director/Governor, so retain the highest test whether venous or capillary.

Jennifer/Geralyn: is that accurate?

To clarify you want 2014 by zip code and quarter with retaining highest test? Or only highest venous test?

Im still in a meeting and may not get this done today. Will also talk to Yan to see if she is available.

All --

A reporter with Bridge Magazine is requesting the statewide 2014 (and if possible, 2015) CLIPP data. I've sent her the attached county-level info for 2014 which I have not shared yet, as it's not the final report.

We would like to touch base to make sure the data has been finalized and reviewed by epi before it's posted online.

Eden -- we'll reach out to you in the morning to discuss the media request. Beyond the data, the reporter is also interested in discussing homicide investigations.
