Monica,

Please see attached for 2014 and 2013. The three previous years' annual reports are available on our website: www.michigan.gov/lead Click on Policy & Research, then click on Data and Research.

Let me know if you have questions.

Bob

Can you send me the lead testing levels for Oakland County's 1-2 year olds? If you have the last five years that would be great.

Thanks so much,

Mó
