Hi Bob,

If you aren't able to give us the final data by Thursday, may we please have the preliminary data?

Thank you!

Best,

Alanna

I might have given her preliminary 2014 data, don't remember for sure. I don't think I've described any 2014 data as "final" yet.

Hi Bob,

At a meeting yesterday with Regina Royan from DHWP she said that she had the 2014 EBL numbers, I just wanted to verify that they aren't out yet.

Thanks!

Best,

Alanna

Yes. I won't have a complete annual data report by then, but can get you a FINAL county-plus-Detroit spreadsheet.

Hi Bob,

We were hoping to do an update on 2014 EBL numbers at the next GHHL meeting on 6/25. Is there any chance that you'll have them ready before then?

Thank you!

Best,

Alanna
