Sounds like a great addition.

Thanks
Rick

Rich connected with Dr. Lawrence Reynolds from Flint to join our After Action team. He's been a long time pediatrician in Flint. Well respected in the community. He was affiliated with Mott Children Health Center for several years, but is listed as affiliated with Hurley now. His background looks excellent. He is able to join via phone tomorrow morning. Let me know if any concerns. He was suggested by Harvey and vetted by Rich.
