Remove Flint.

Add **Not Responsive**
Thank you.

Here are the items that Beth thought were good for Monday's agenda. The only thing she wasn't sure about was whether Flint needed to be on it this week. Can you let me know if you are good with these items or if you have changes? Thanks.

Here are the items that were on this week's agenda. Can you make changes and email back to me the items that should be included for Monday's meeting? Thank you.
