Subject: Additional Steps for Flint

Governor Snyder,

In the interest of being sensitive to the unforeseen problems that will affect children of this Flint Water Crisis, I am formally requesting you to forgive the debt balance currently imposed on the Flint Community Schools. I make this request because this school district will have the majority burden of addressing issues relating to the lead intrusion into the blood of children in this school system. There will be untold problems for years to come that will require an already overwhelmed school district to be required to meet the needs of these children who are victims of this disaster.

Respectfully,

Sheldon Neeley
State Representative
34th District
