Ron, here's the notice about the event. I can give you embargoed background in a little bit.

Representatives from the Michigan Department of Treasury, the Office of Urban Initiatives and the Department of Environmental Quality will be joined by several state lawmakers and city leaders at 3 p.m. today at the Haskell Community Center, 2201 Forest Hill Avenue in Flint for a short press conference to discuss some state resources to be used for water system infrastructure and other improvements.

Let me know if you have any questions.
