Thanks! That means a lot. We always get the negative feedback (as you know from the "old journal days") so it's nice to see some positive!

I've got your number saved for whenever I need to bug ya. Have a good night!

Thanks!

Jessica,

Just wanted to say you did a great job on the Flint water grant story. It's a complicated issue, and you explained it very well!

Always nice to come "home" to Flint – I worked for the Journal for 10 years and my kids were born there. Will always have a soft spot for the city.

Let me know if I can ever be of assistance to you.
