Dave-

Thanks for the heads up. Not sure if I will be able to make it, but will try. Off the record, can you tell me what's going on?

Jason, wanted to give you a heads-up.

Representatives from the Michigan Department of Treasury, the Office of Urban Initiatives and the Department of Environmental Quality will be joined by several state lawmakers and city leaders at 3 p.m. today at the Haskell Community Center, 2201 Forest Hill Avenue in Flint for a short press conference to discuss some state resources to be used for water system infrastructure and other improvements.

Let me know if you have any questions.
