We're still getting some questions answered on our end but for now, the only edit I have would be to define DEQ and MDHHS in the fourth paragraph where it begins with 'State agencies today...'

For the event tomorrow, we have an outline of what Nick and Eden would cover below:

Director Lyon
Recommendations for residents
Recommendations for schools
Additional MDHHS staff available to assist with data and case management

Eden Wells
NSF Certification
Additional testing?
Lead exposure reduction tips

EARLY cut. Karen drafted, I've edited, nobody else has seen it yet, so please have at it.
Thanks.
