Thanks for keeping us in the loop, Rich.

It's immensely helpful to Dave and me to know what lies ahead so we can craft our message accordingly.

Also, thanks for that lovely bottle of wine. I hope you and Linda have a wonderful holiday ... and I also hope I don't have to bug you during your time off, but I'm not going to guarantee it!

Thank you for the presentation and your approach to this. When you can please share a version of the presentation I can pass in to Sue, Eden and the others in my Population Health area.
