Importance: High

Just talked to our staff guy on the Flint / Detroit water situation. Apparently Flint is going to make a public announcement today. We're deferring calls to Treasury unless otherwise directed by you guys. Our expertise here is about water quality and technical issues. This conversation is about contract and money right now ...

Director,

Steve Busch stopped by and needs to talk to you ASAP. He will be in a meeting at 1:00 in the Lillian Hatcher Room 3N but you can pull him from this meeting. Or you can call him at

PPI

He wants to make sure everyone is on the same page with City of Flint.

Announcement today from City of Flint.

They have a meeting on May 14 to discuss contingency issues.

Thank you.

Mary Beth
