Greetings, Ron and Roberto –

Sorry for delay. Been on conference calls and meetings until just now.

Happy to help. I think Dave got a chance to cover some of this with you already, but just in case.

This is an option that we're helping thoroughly review and consider with the city, and the technical advisory committee's work is much appreciated in this matter. We're also focused on working hard in collaboration with all and implementing the key action steps outlined on Oct. 2 to help protect public health and ensure safe, accessible drinking water for Flint residents.

As you noted, we have slated a time tomorrow morning for the Governor and administration with city and community leaders to provide an update on Flint water. Stay tuned.

Thanks so much and looking forward to seeing you tomorrow. Just let me know if there's something you may need in the interim.

Best regards,
SW
