Great, that's what I thought.

On the MSC appt, there is nothing I can confirm or say on the record or even as background ... you'll have to stay tuned for tomorrow officially.

Completely and totally OTR only, I would say that wouldn't be a horrible inaccuracy.

Help?

Dave got back with me on water filters.

Is there anything you can confirm on background about Joan Larsen being the governor's pick for the Supreme Court?

I understood Dave got you on this asap, yes?

Please just let me know if you need anything else at all.

Can you or Dave please call me about Flint water issues? I have some questions about these water filters and about this team of people working on this issue that the governor talked about earlier during the press scrum. Thanks.

Dave,
I'm following up on an MLive report about the governor playing a role in helping get 1,500 water filters to pastors in Flint through an anonymous donor. What can you tell me about this and the governor's involvement?

-Chad
