She was on the list already -- wondering if it was a potential spam folder problem. I tried taking her off and then putting her back on. If she says she still has problems let me know and we can call GD.

Guys -- can you please check into this. Serena was at Detroit News, but now does freelance, primarily for Reuters.

Please make sure she's on our media list and database.

Subject: Flint water press release?

Morning,

I'm having connectivity issues with listening to the livestream regarding Flint water. Is there a press release you can send my way? Working on a story now for Reuters.

Also, I appear to not be getting press releases from the Governor's office. Can I please be added again?

Thanks,
Serena Maria Daniels
