Importance: High

Not Responsive

My comment on this is that ...

We look forward to continuing work with Congressman Kildee and other officials and stakeholders at the federal, state and local levels to bring ideas and resources to bear to ensure public health in Flint and clean, safe drinking water. And again, we have the multiple step action plan as well as the task force work underway.

Thanks and best,
SW

Subject: request for comment on congressman's letter

Hi Sara:
I've attached a copy of a letter Congressman Kildee sent to Gov. Snyder last week concerning Flint water issues. I didn't know if there has been a formal reply and/or if you would want to comment on it.
Thanks,
