I think the deal is set for the Foundation to get \$250,000 to \$300,000 from the Health Endowment Fund if they follow through with the amendment. Those jerks from Progress Michigan (what a joke that they use that name) criticized us for helping the ministers with the filters.

Today, I had a conference call with Andy Levit, Amy Hovey, Rep. Phelps and Rep. Neeley. The objective was to coordinate the acquisition and distribution of water filters for Flint residents.

>>>DISTRIBUTION

- \*County Health will track distribution in coordination with Red Cross
- \*Request that the state provide a coordinator on the ground in Flint.

>>>ANCILLARY DISCUSSION

- \*Phelps said nothing on the call

- \*Neeley wanted to talk about the switch back to the Great Lakes Authority

\*Amy asked if the Governor will declare a state of emergency in order to draw down on FEMA dollars. I indicated that we are not at the stage yet, that we should allow the experts to determine if whether an emergency exists, and in the meantime take appropriate steps to provide some relief to the residents in Flint.
