Mark,
Thank you. We will work with Stacie to identify the appropriate entity to receive the filters for Flint residents. In addition, we'll keep you out the public eye on this.

Please know, however, how much we appreciate Meijer and most importantly you for doing this.

Best,
Harvey

We are all set. Stacie Behler can serve as liaison on this one. The merchant team can source 1,500 filters. We will get them to the community at cost. My guess is this will be \$20k or so, but the team will give you a final number.

Because we don't want to be a state vendor, we won't sell them to you. Stacie will work out logistics of whether we make a donation of gift cards to the state that you use to purchase them,
