We will need to collect some water rate info from our files including the E&Y study. Questions will go to Jerry Ambrose. Maybe we can talk just before 9:00 or sometime in the am about what we need to do. Thanks, Wayne

I have talked with Rich, Daddow and the Mayor and all seem to believe that the \$847K was a fair discount from the previous rates and they indicate a willingness to reconnect for 15-18 months. How does that calculate with our previous bills and payments?

Brad:

I just spoke with Pastor Harris, the president of the Concerned Pastors for Social Action.

He said the group asked that Flint be immediately re-connected to Lake Huron water during yesterday's meeting and is expecting a response of some kind by the beginning of next week.

Would you or Dave Murray want to comment on whether that's under consideration?

I just wanted you guys to know what he's saying – without equivocation – in the story.

Thanks,
