Eric:

Would you ask if Robert could attend this meeting in Flint tonight?

Thanks,
Randy,

Attached is information regarding the public meeting in Flint tomorrow night (Wed. 1/21) regarding the City's drinking water violation.

Mike Prysby and I will be participating in a panel to answer questions. Brad has planned to attend to help address the media.

In addition to the media, local members of the Michigan Legislature are also planning to attend or have staff attend.

All,

The City of Flint is hosting a public forum next Wednesday January 21st in the dome at City Hall at 7:00 pm. The focus will be a presentation followed by a question and answer session about water. The panel will consist of two of our DEQ representatives, the lead engineer from LAN, the Genesee County Drain Commissioner Jeff Wright, and myself.

Please feel free to attend or recommend your constituency to attend, I am forwarding a copy of the press release along with our most recent communication's about the City of Flint water system.

I am looking to build a better communication network for sending out information from the City of Flint DPW Department to interested parties on a more frequent basis. I will inform everyone when that is formally established.

Please call me if you have any questions,

Thank you,

--
