A lot of complaints about Natasha these days. Of course, I have a lot of complaints about myself and this Flint thing. If I had acted more quickly on some of my minister's complaints we at least would have had a more robust discussion. Do we have a copy of the Veolia conclusions somewhere?

Thank you. It doesn't surprise me that we have another hurdle in all of this. I appreciate your acknowledgement that GCDC will do everything in its power to help the people of Flint in this effort to reconnect to DWSD. Our first objective is to restore the health of the people, then their trust, and of course these objectives are partially accomplished through the reconnect and the efforts of your client.
