Please see below.

No good deed goes unpunished. This looks like may be next big issue.

I thought GLWA-DWSD was NOT going to require the entire sum all up front?

Subject: state money for detroit water

Sara:

I was at a City Council meeting last night when Flint City Administrator Natasha Henderson said the state has only wired Flint \$2 million of the \$6 million approved by the state Legislature.
She said the city has been told it will receive an additional \$2 million in January and another \$2 million in April.

Henderson said she's asked that the money be sent immediately because the city was required to pay Detroit the entire \$12 million upfront, before the water was reconnected, and its water and sewer fund balance has dropped significantly as a result.

Several council members also spoke about this, and Council President Josh Freeman called the payment plan "beyond ridiculous" given the city's financial position.

Is there someone who can talk to us about this?

Thanks,

Ron Fonger
