

ANSWER: Treasury awarded Flint two grants in FY 2015 under the FDCVT program. Treasury has not yet received any reimbursement requests from the City. Therefore, we have not distributed any of the FDCVT grant related funds to the City. The two grants are:

Awarded	Project Name	Brief Description
\$1,100,000	Water Pollution Control Incinerator Shutdown	Water system enhancements through improved waste management
\$900,000	Water Main Leak Detection Survey and Condition Assessment	Water system enhancements through leak detection and pipe assessments

See the attached press release...noting Flint's awards (2).

The writeup below was included in Flint Water Talking Points from last winter.

The City has received significant financial assistance through both grant programs and bond restructuring initiatives administered by the MI Department of Treasury. This financial assistance has allowed the City to replace miles of aged pipeline and begin efforts to install a specialized filter at the Water Treatment Plant.

In February, Flint was awarded a total of \$2 million through two *Financially Distressed Cities, Villages, and Townships Grants*. \$1.1 million was awarded for water system enhancements through improved waste management while \$900,000 was awarded for water system enhancements through leak detection and pipe assessments.

Subject: FW: FDCVT

Do we know whether Flint has yet applied for any of these \$s ? Do we know if they have plans to? And have they asked (& rec'd) \$s from

this program previously i.e., last year. [knowing that it hasn't been going that long]. If so, what did they use those \$s for.

Finally, if they hadn't applied yet... given the current Flint water situation;
Could they use these grant funds to purchase filters for individual residents for use in their homes ?

If you can get back to me quickly I would appreciate it. Thanks
