To all;

Senator Ananich would like to add additional items to our timeline that I sent. They are highlighted and I think show up on this scan. Please look at and let me know if they are factual (DHHS and DEQ) (and if you say they aren't tell me why because Senator Ananich will have his info). I want to make sure we are accurate as to what happened when. Need to know as soon as possible (by end of day would be nice)

Dick
